FAITH-ful ONE-LINERS

Faith is knowing but not knowing how or why I know.  
Faith is beyond reason.  
Faith is security, satisfaction.  
Don't *FIGURE IT OUT*, *FAITH IT OUT*.  
Faith is heart-trust.  
Faith is the basic ingredient for worship of God.  
Faith is for life; faith is for death.  
Faith is the aroma of an oven-cooked meal.  
Faith means knowing there indeed was a whole apple.  
Faith is a gift from God.  
Faith is *believing*, not *thinking*.  
Faith is fact, not emotion or religious fervor.
