

SEED-SOWING ?

I'm unsure if this item is about an OUTREACH encounter, an EVANGELISTIC endeavor or a TESTIMONY. Though the personal contacts were quite short, Holy Spirit caused me to feel encouraged about speaking about Jesus, the Christ.

While waiting at a bank, one of two ladies behind the counter asked if she could assist me. When I said I needed to speak with one in another area, she said something like **"Well you can at least talk with us while you wait."**

I quickly asked, **"Who is Jesus?"**

Her response was, **"Oh, I'm a devout Catholic; Jesus is our Lord and Savior."** I asked, **"Is Jesus God?"** and she very emphatically said, **"No!"**

As graciously as possible, I suggested she research that answer more deeply since Jesus said He was/is God. She said, **"OK."** I prayed then and now that indeed the true seed of the gospel was sown in her that day.

I had no success in engaging the other lady behind the counter. She told me twice, **"I'm a Baptist. I'm not a Catholic."**

Before leaving, I left a note with both ladies and asked that they investigate Eternal Life explained on a website; I'd written **broadmanchurch.org** on the notes. --- WEBMASTER
