

HOSTESS 2009 ANNUAL REPORT

The Hostess Committee thank you for the great support and food you gave us throughout this past year. We have had a busy year in 2009 with B.A.N.D. Sundays, Wednesday meals, Sunday dinners, Easter Sunrise Breakfast, VBS family night, Chili Track & Treat night, the 50th Assoc. dinner, Potluck dinners, Deacon's meals and Thanksgiving Dinner. With help from so many, each was a success. Thanks for all your prayers and words of appreciation.

We continue with our Wednesday night meals serving from 5:30 to 6:15 PM. We have tried different meals, and have extra help this year in serving and making the meals. (\$3 for Adults and \$1 for ages up to 11). With your help and support we have been able to replace all the old tables with the new white ones; we also have four grills now that have helped make our jobs faster and easier. We always start with prayer every Wednesday night asking for His blessings to serve a good meal for your bodies and praying for our Pastor to feed your souls. So many of you tell us each week how much these meals mean to you by saving you time so that you can get here for the WB service.

Brad and Sandy Mouser do their share and more by taking time to go and buy all the paper products and condiments to keep everything running smoothly. Flo Fitzpatrick takes care of her share by keeping up with the coffee, tea supplies.

We have a wonderful group of volunteers to help with each meal, and a big thanks to all who have helped over this past year. Dave Lape has taken quite a large part of the set up for these meals by bringing in and setting up the tables for us. Others come in and help to roll the silverware and cover the tables. Whatever part you do, big or small, is appreciated and helps the teamwork run faster and better. Thanks to ALL.

Our biggest change this past year was our Easter Sunrise Breakfast, with everyone's support who brought anything like bread, eggs, juice, milk, jellies, sausages, we had the biggest and best time yet. With Pastor Chris taking our challenge we put out there for him, he made eggs (anyway you wanted them). We served over 130 Pancakes, 220 pieces of French toast, 130 eggs and sausages, plus the fruit and other food.

Flo Fitzpatrick has done a great job with the Thanksgiving meal. She gets this meal ready to serve by contacting her team of ladies to bake the pies and get all the people set in place to cook the turkeys, and all the many jobs it takes to make this meal a success. Flo has done this job for the past several years and with great success. Thanks to all who have helped this past year.
