

INTRODUCTION 2009 ANNUAL REPORT

The Annual Report is a reflection of what we have done for God, what He is doing, and how we propose to join God as we move forward into the future. The report will provide the family of God with basic information about the church, ministries and a church directory.

May each of us realize just how blessed we are to have a church like Broadman. God has guided us through another year of serving Him. He has provided ministry leaders to lead us and members who have faithfully served Him in many ways. Broadman continues to do some great things for God, the body of Christ, our homes and community all because many in the congregation have discovered that ***everyone is a minister and every minister has a ministry.***

The Annual Report is also a great way to celebrate the many victories the Lord has given us over this past year. There is victory in Jesus; therefore it is a good thing to celebrate the victories of the church and blessings God has bestowed upon us. May the many victories we have experienced help us remain focused on God's calling for our church and may God constantly remind us that we are ***a church that makes a difference.***

May this report be a way of saying thank you to every person who has served the Lord through the ministries of Broadman in 2009. Every member is important to God's plan for our church and community. The church could not exist without the people of God serving God and others; nor could the church thrive without the body of Christ serving the Lord with excellence. As we enter 2010 may we continue to serve the Lord with excellence; may we Love the Lord our God with all our hear, min soul and strength; may we be found faithful in all that we do in word and deed; and may this church continue to be known as ***a church that makes a difference.***

May God receive all the glory for 2009 and may we pursue Him in 2010 like never before, knowing that the best is yet to come.
