

MINISTRIES 2009 ANNUAL REPORT

At Broadman we believe: ***Every believer is a minister and every minister has a ministry.***

We encourage all of our members to serve through the ministries of the local church. The only way we can become more like Christ is to serve one another and our community through ministries.

We also encourage every member to take initiative in developing ministries through participation in an already existing ministry or by creating a new ministry that our church and community need.

We hope you will find a place to serve the Lord at Broadman!

Please contact the ministry team leader for any ministry (ies) in which you wish to serve. We welcome active involvement and have a continual open enrollment into the ministries of our church. God bless you as you serve.
