

I am eternally grateful to my Lord and Savior for saving my soul and I am so blessed that He has called me to serve Him as the pastor of Broadman Baptist Church. I truly appreciate your willingness to serve the Lord, follow Godly leadership, and for taking care of me and my family --- thank you from the bottom of my heart. I love each and every one of you.

The past seven years have been an awesome experience for Broadman. We have seen Broadman thrive and grow. We have continued to grow into an awesome church and I pray that the best is yet to come in 2010 and beyond.

No one but God knows what 2010 has in store for our church. But each of us is responsible for seeking God's will and for pursuing Him with such passion that we know that every moment of 2010 is right where God wants us. If we are doing this, we will know that no matter what comes our way in 2010 God will be with us.

I would like to suggest that 2010 be a year of **DREAMS** fulfilled for our church. Proverbs 29:18 -- **Where there is no vision, the people perish; but he that keepeth the law, happy is he.** May we dream of God's vision being revealed to us and along the way may we see God's vision being fulfilled. That is one dream I hope comes true.

It has been said that **everyone ends up somewhere, but few people end up somewhere on purpose.** May we dare to follow the dreams God has for us so we can end up where God wants us to be on purpose.
