

Throughout the year the Music Team strived to bring glory, honor and praises to the Lord in each of our services. Some of the highlights in 2009:

Kidz Praise, Preschool- 5th grade, had lots of fun learning and practicing on Wednesday nights. The Kids Praise blessed us throughout the year either singing Special Music or leading worship each month during Family Sunday. Their songs included Warm Up Song which had 4 groups singing different parts, About You, a Lottie Moon skit to place focus on the Lottie Moon offering, Happy Birthday Jesus, Hand bells during the Christmas season, Part 2 of the wonderful musical "Donkey Tales" during the Easter season, You Are So Beautiful w/ O Lord You're Beautiful in honor of their Mothers on Mother's Day, I'll Tell the World and a song with words written by the children. We had several children that shared with us through vocal solos/ensembles and instrumental solos/ensembles. We have some very talented and gifted children!! Thanks to Shawnetta McCombs and Irene King for planning and leading these children each week!!

The Instrumental group has blossomed this year - Praise God!!!. The group now practices on a weekly basis and plays in the Sunday Worship Service once or twice each month. We now have 3 trumpets, 1 flute, 1 trombone, 1 clarinet and 1 violin. Shannon Mangrum is the leader for this group and has done a great job planning, providing music and scheduling the practices. The Instrumental group has been a blessing!!!

The keyboard has been a great addition this year. We were given the opportunity to try out and purchase a keyboard at an awesome price. Shawnetta McCombs has had great fun learning how it works and has blessed us so much playing in the Worship Service.

The Adult Choir held practice twice each month, had one retreat during the year and shared special music in the Sunday Worship services once a month. The choir also led the Congregation in a compilation of patriotic focused songs for the Patriot Day service in September and Eyes of Faith, a celebration of the life and hymns of Fanny Crosby, in March. Several new choir members joined throughout the year - YAY!!!! Elayne Stockdale has done an outstanding job leading the choir and faithfully lining up special music for the Sunday Worship Services.

The Praise Team faithfully practiced on Wednesdays nights and Sunday mornings in order to lead us in worship during the Sunday service. What a blessing this team has been, Shannon Mangrum is the leader for the Praise Team and has done a great job scheduling, leading and encouraging this team.

Marty Geib has had great fun and has done a wonderful job in planning and leading the Praise Time during Wednesday WB.

The a cappella Team, Vocalists and Instrumentalists faithfully shared specials and preludes during each of the Worship Services. Such talent and willingness to share!!

Each of the items mentioned above require faithful and willing servants to share their leadership skills and musical talents. There are so many places to serve in the Music Ministry at Broadman including:

- Praise Team Leader ● Sunday Praise Team Member ● Offertory and Invitation Hymn Leader ● Adult Choir Leader ● Adult Choir Member ● Instrumentalists ● Instrumental Group Leader ● WB Praise Team Leader ● WB Praise Team Member ● Vocalists ● Kids Praise Leader ● Kids Praise Member ● Hand bell Leader ● Music Planning Sunday participation

God has blessed Broadman with so much musical talent. Thank you to all who are part of Broadman's Music Ministry and are so faithful in sharing their time, gifts and talents!! I know there are several that have musical abilities, and a "heart for worship" that are not currently involved in the Music Ministry. Please pray about your involvement in the Music Ministry as you don't want to miss out on God's blessing for you in this area or the impact you could have on the worship experience at Broadman!!

It's exciting to see where God will lead the Music Ministry in 2010. Please pray for this Ministry as the Team strives to meet God in leading Broadman to a deeper level of worship. Contact Charlotte Moore if you feel that God is leading you to become a part of Broadman's Music Ministry, as **you are welcome and encouraged to join us!!**

Charlotte Moore  
Worship Coordinator

*Sing to the Lord a new song, for he has done marvelous things.* Psalm 98:1
