SOME WORDS FROM ONES WHO WORSHIP AT BROADMAN

ALBERTA BALSINGER (born 1948) I came to know the Lord at a early age in a small Christian Church in Pennsylvania, was baptized on a Sunday morning with two of my brothers and my Mother. Several of my friends also, one of whom became by sister-in-law years later. Also on that same day Nelsons' brother got baptized. As a teenager I sang in the choir and that is where I met my husband to be in that small church and on my graduation night we got engaged at the altar and had asked God to be the center of our live together. Two years later we got married in that same church. Nelson and I became members in a large church and that is where we started our family and raised our children. We had many great opportunities to learn and grow in Gods' ways. Our kids all got saved through the years and we were blessed with many good friends. It was sad for us to see this church come to a end, but at the same time it again was a good time to keep trusting and know God would plant us where he wanted us to be. We came here to Broadman and were welcomed with open arms, people here are just so friendly, loving and kind. Just like coming home, God's Church is real and this place has made a difference in our lives. If you want to get involved there is room, and if you want to learn, Pastor Chris is the best at Preaching and Teaching. If you want to make friends that care and share this is the place. I love the Lord and He truly is my joy and my strength.
