SOME WORDS FROM ONES WHO WORSHIP AT BROADMAN

NELSON BALSINGER (born 1944) My wife Alberta and I both came from a very small church in Pennsylvania and both were saved at a young age and Baptized. When we got married and moved to Ohio we were members of a very large church, where God provided many great opportunities of being trained as teachers, being involved with kids, in Sunday School, VBS and camps.

I was taught as a young boy in Sunday School and knew when it was my time to teach I had to make it fun. I feel God has gave me that chance to not only teach His word but to make it come alive and in so many ways still make it fun for the kids to learn.

We have 3 Children, and 10 grandchildren 2 of our children are involved in other churches and are teaching kids and Youth. Our daughter has directed Camps for the past several years for abused and handicap children. Our oldest grandson has made one mission trip and is getting ready to go on his second one [2009]. What a God's blessing to see His work being done and to know He is the one that gets the Glory.

The first time we came to **Broadman Church** was to hear the **Singing Weavers** we were welcomed by so many wonderful people with open arms, felt so at home. We came several more weeks and knew this was the place God wanted us to plant our feet and get busy. We did and were welcomed with open arms.

Now we are part of the people that might welcome you as you come and visit Broadman Baptist Church. We have been blessed so many times by so many people we are proud to call this our Church Home.

We love and support our Pastor and Leadership of this church, truly it is a Church that makes a difference in your life, come let it make a difference in yours. If you are looking to be a part of the family of God, come join us with a Pastor that truly seeks Gods' Path and Direction and preaches from His Word.
