

Dear Broadman Family,

It has been a great year for our church. Here are just a few of the great things that took place this past year. May they be a reminder of what God has done, is doing and will continue to do here at Broadman!

Our church has grown in many ways:

- We have seen many come to know Christ as their Lord and Savior, be baptized and become members of our congregation. I believe this is a sign that God is drawing people near to Him.
- People are serving the Lord through the ministries of His church. This is a sign that people are joining God at His work and that we are functioning as a Body of Christ. As we continue to grow we will have many growing ministry needs, this is all part of being a growing church. May we continue to be the hands and feet of Christ as we serve Him and one another.
- In the midst of an economic recession that continues to linger we have financially supported the ministry efforts of Christ's Church. We continue to struggle to make the budget, but with God's help and our generous giving we have made great efforts towards fulfilling our commitments. Additionally we continue to steadily pay off the parking lot debt. This is an amazing sign that we are being obedient to God and that He is blessing us in return. Keep on investing in eternity!
- We have experienced the Spirit of God walking among us and it has been refreshing and exciting. We have begun to focus on the health of our church in our relationship with God. This year we launched a prayer and communion worship time that has been very edifying to the life of the church. In 2011 we will focus on the functions and systems of the body of Christ.
- 2010 was the year of the Bible at Broadman. It was exciting to see so many of you take on and rise up to the challenge to read your Bible through in a year. We had many God sightings and the Bible became real to many of us. The Word of God is alive.
- We were blessed with the opportunity to expand our ministry vision by bringing on a full time minister that exclusively focuses on college and career. Mike and Kelly Puckett are a great new edition to the Broadman Team.

- As always we did an outstanding job in inviting family and friends to Broadman, our VBS was top notch once again as were the other outreach efforts, and our mission themes and events were impacting. Great work for the Kingdom!
- We continue to be a multi-generational congregation. All generations, all backgrounds, and all ethnicities are welcome to worship at Broadman. We are unique in this way and I praise God for the strong commitment in our nursery and children's ministry, youth ministry, college and career ministry, and young, mid-life, and senior adult ministries. It is great to see God connect all generations together with one purpose.

Now that the past is behind us, we must live in the moment pressing toward the future. It is my prayer that God will continue to anoint the ministries of our church. I am praying that genuine revival continues to take residence in all of our lives...may the best still be before us, "for greater things are yet to come and greater things are still to be done here!"

Thanks for being ***a church that makes a difference!***

With great love,

Pastor Chris McCombs
